

Buder Center Highlights

Buder Center's courses include:

- Indigenous Knowledge, Values, and Cultures
- AI/AN Social Welfare Policies and Administrative Practices
- Indigenous Mental Health Practice
- Community Development with AI and other Indigenous Communities

“With support from the Buder Center, I gained the education and skills necessary to reduce violence in tribal communities including domestic and sexual violence advocacy, evidence-based child maltreatment prevention strategies, and culturally responsive evaluation of programs and services.”

Clara Stenstrom,
Winnebago Tribe of
Nebraska, MSW '19
