Menu of Activities – Leadership Development

- **HPSLC (Health Professional Leadership Council)** – Students of all levels are encouraged to participate in extracurricular activities run by HPSLC throughout the year; leadership opportunities exist on the board and as activity leads.
- **Community Volunteers** – Students can participate in various community volunteering through CIPE.
- **Student/Resident Teaching Certificate** – One-year, flexible program where participants learn basic principles of pedagogy and fundamentals of IPE, and then co-facilitate an IPE experience and receive feedback on their skills from a faculty member of a different profession.
