3-4 PM

Adults and Substance Use: How to Recognize Symptoms of Misuse and Offer Help

WEBINAR PRESENTED BY: SHANNON MCGUIRE, MD

The Department of Psychiatry is hosting an expert led webinar on the topic of substance use disorders in adults. Please join us to discuss this important topic. Dr. Jessi Gold and Krista Jarvis facilitate this presentation by our expert Dr. Shannon McGuire. There will be time for an anonymous Q&A.

For support with talking to kids about substances please look for the following event-

Expert Tips for Talking with Your Teen about the Current Landscape of Drugs and Alcohol
Friday 5/26 from 4-5 pm
