We had a beautiful day to enjoy the annual Halloween parade this week. Thanks to all who were able to enjoy it with us. Panda Bears have been experiencing many thematic activities that reinforce the seasonal changes in their world.

We will be moving on to a new theme: **SHAPES**. Here's how you can help us begin our study. **BY WEDNESDAY, NOVEMBER 5, PLEASE SEND YOUR CHILD WITH A FEW PICTURES OF SHAPES (CIRCLE, RECTANGLE, SQUARE, TRIANGLE, ETC.). THESE CAN COME FROM A MAGAZINE, NEWSPAPER OR OTHER RESOURCE. YOU ARE WELCOME TO SEND THE PICTURES IN YOUR CHILD'S BACKPACK. THANK YOU!**

We are also planning a **PAJAMA DAY**, Friday, November 14. Panda Bears may wear their favorite PJs to school and bring a flashlight, if possible, for some fun activities in the afternoon.

Dad's, granddad's and special friend's day is November 21. More information will be coming in the next newsletter about this special day.

## PARENT/TEACHER CONFERENCES

As we reflect on our Parent/Teacher conferences this week, we appreciate all your support and insights. Panda Bears have had a terrific start to the school year, and we will strive to continue to provide safe, enjoyable, developmentally appropriate learning experiences for the children. We thank you for your input.

Know that we are always available by email if you have questions, concerns, or anything we were not able to discuss during the conference time.

Until next time,

*Colleen & Marsha*
