

# Teddy Bear News

Happy Spring!

The Teddies were excited to be back at school after our Spring Break. It was wonderful to see their enthusiasm at seeing their friends and teachers again.

In the classroom, we have been getting our spring mural up with green grass (finger painting) and flowers (dot painting on coffee filters) that are blooming. We said good-bye to Frosty, The Snowman and hopefully the cold weather!

Outside, the children are enjoying the milder weather, the warm sun on their faces, and playing with their friends!

During Art with Miss Suzy, the children created pictures with stencils, pencils and then finished with watercolors. The paintings were vibrant and beautiful.

During Spanish with Miss Colleen, we learned the Spanish words for clothes and reviewed our colors.

Last week, we had two former WUNS students, Nadya and Marina (3<sup>rd</sup> graders) visit the nursery school with their two chickens, Wendy and Bess. The Teddies enjoyed meeting the hens and were able to pet them as well.

Bess and Wendy

**Reminders:**

No school on April 3<sup>rd</sup>. Staff Development Day

Parent/Teacher Conferences April 13-17. No school on the 16th and 17<sup>th</sup>. Babysitting will be available.
