

# SUN BEAR NEWS

## Classroom Happenings

Leaves, pumpkins and Halloween have occupied the minds of Sun Bear children these last two weeks. A variety of art projects have given the kids a chance to experiment with a multitude of autumn colors. Some simple cooking projects like baking muffins and creating mini-“pumpkins” out of clementine oranges and bits of celery for a stem resulted in a nice snack for our Halloween gathering. If you were able to attend, we hope you enjoyed the party. We know the Sun Bears did!

### Learning About Fall

Music with Miss Laura (“Leaves Are Falling”)

Carving pumpkins with Miss Katie

Exploring nocturnal animals (furs and skins brought in by Miss Liz)

## Parent/Teacher Conferences

We appreciated meeting you and sharing our thoughts about your child’s first several weeks in the Sun Bear classroom. Thank you for giving us feedback and insights. We have a bright, energetic class this year, full of many talents and strengths. Our conversations with you help us set goals and celebrate accomplishments. Feel free to follow up with us any time with questions or concerns. Thank you!

See the next page for more photos. *Miss Colleen & Miss Katie*

## A TRIO OF PRINCESSES AT THE HALLOWEEN PARADE
