Thanksgiving Activities

The Bear Cubs have been busy learning about Thanksgiving. We created a variety of turkey crafts using paint, feathers, glue, paper, and other materials. We talked about Thanksgiving foods and traditions. We have been thinking about what we are thankful for each day. We are truly thankful for our twenty unique and wonderful Bear Cubs! We hope you have a special Thanksgiving with your family.

~Katie & Marsha

Dad's Day!

We were so excited to have our Dads, Grandfathers, and special guests come to visit our classrooms. Some friends created turkeys using a potato and feathers! We enjoyed delicious doughnut holes for snack. We truly appreciate all of our guests taking time out of their busy schedules to come and spend time with us. Thank you, thank you, thank you!

Upcoming themes in December:

We will be exploring different holiday traditions during the month of December. We look forward to a fun and exciting month!

Indoor Movement Room Fun!

Since we have had some rainy weather, we ventured down the hall to the Movement Room. There, we can climb, roll, jump, toss bean bags, shoot soft basketballs into a hoop, and play with toys that focus on our gross motor skills.
