

TO: PANDA BEAR FAMILIES

FROM: PANDA BEAR CLASSROOM

We hope you are enjoying your family time! Time is moving so quickly as we move into December 2015. Our first semester just sailed past. Our discussions for the next several weeks will be about family celebrations and gratitude. Please feel free to come into our classroom if you wish to share any special tradition, recipe, or craft idea with the children. As you review the family photos, you will appreciate the excitement at our Thanksgiving celebration. We are grateful that all of you so graciously attended either in the morning time slot or in the afternoon. We understand that many schedules are filled with busy commitments. Thank you again for making our Father's Day/Special Friends and Family a special day for your children. There are some adorable pictures attached for your enjoyment!

The weather has changed dramatically over this holiday break. We are hopeful to see the sun again when we return to school on Monday. The consistent rain over the weekend has forced many of us to be indoors. Looking ahead to next week, we are going to have some sun with colder temperatures. Please make certain your child arrives with appropriate gear to be outdoors in the colder temperatures. All of us appreciate our outdoor time.

We have some new children joining our Panda Bear classroom second semester. We will send you information about our new friends, as we get closer to the date. It is very exciting to welcome our new classmates into our group.

Again, thank you for sharing your wonderful children with us! We look forward to a busy and active December!

Best,

Marsha and Chona

Important Dates:

NO SCHOOL (HOLIDAY BREAK) - December 17, 2015 – January 4, 2016
