

Big Bears in 2016

Alphabet

Ms. Suzy, Ms. Betsy & Ms. Betty

A lettering we will go...

Since Tuesday, January 12th we have featured a letter of the day from the English Alphabet. So far we have covered A, B, C, D, E & F. Thursday, January 21st we will continue with the letter G, presented by Rex George:) G Day will include glitter creations, "green grass cutting" with paper and scissors, Giraffes and Jungle Animals and **any "G" items that you would like to share from home for the day.** * **Look for a sheet to go home several days before your child presents.** This alphabet sheet will be filled out at home, where your Big Bear can practice writing an upper and lower case version of their letter, write a related word(s), draw a picture to

accompany this word and sign their name at the bottom, and returned. They will present their letter sheet at group time and share the letter-related items they brought from home to share. For example, on A day, Lily brought along an alligator toy & an "Anna" toy.
