Sometimes what we
love comes back and
finds us....

To our dear Sun Bears and their families,

We have had a fabulous, wonderful, terrific, marvelous, extraordinary, beautiful (hee-hee) year full of so many memories. We hope that looking at these photos will make you say, "I remember that!"

So, with a favorite song from Miss Laura, we send you off:

See you later, alligator. In a while, crocodile. Swish swish jellyfish. Give a hug ladybug. Out the door dinosaur. Stay sweet parakeet. Take care polar bear. Bye bye Sun Bears.

*Love and many hugs,
Miss Colleen & Miss Katie*
