CLASSROOM GOALS: 2016 – 2017

The nursery school ensures that our school environment is safe, healthy and conducive to children's exploration and independence. Our teachers encourage students to:

- Feel comfortable and secure, developing the understanding that learning is fun.
- Respect themselves and others, focusing on promoting kindness, empathy and cooperation.
- Use their natural wonder and curiosity to explore and make connections to the world around them.
- Think and act more independently.
- Feel successful about their accomplishments, big or small.
- Prepare for the kindergarten experience socially, emotionally, intellectually, physically and academically.
