

Big Bear News

December 2, 2016

Washington University Nursery School

Happy Holidays!

Big Bears have so many amazing and thoughtful ideas about how they can help make the world a better place. They've brainstormed about helping families, friends, and their classroom, those in need, our planet, and all the animals on it.

To practice what we preach, **our school will "adopt" one of St. Louis's neediest families.** Please keep an eye out for the list of items needed and, if you are able, send in new/gently used items by **Dec. 14.**

Election day treats

Important Dates

Dec. 15 – Sneeches Field trip
(transportation provided, please arrive to school on time)

Dec. 20 – last day of school. **PJ DAY!**

Jan. 4 – School resumes

Thank you for joining us on Dads, Grandpas, Special Friends' day.

The Big Bears felt honored to have you and we always welcome the chance to build community between students' families.

Items needed:

- shoe box lids
- science articles

In the science area, we've been utilizing magazine articles and images to inspire the students to explore a wide variety of concepts. We pair the image with a related activity – i.e., unusual architecture with different shapes of blocks, or athletes with posing models. If you and your family notice something interesting, we'd welcome articles from home.

Here are some ideas:

- nature, animals, space
- health and fitness
- architecture, inventions, engineering
- weather, measuring
