

DECEMBER 2016

Bear Cubs

Washington University Nursery School

Bedtime Books

Goodnight Moon

Goodnight Already!

Don't the Pigeon Stay Up Late

Goodnight Gorilla

Making Biscuits

Bedtime Unit

Last week our Bear Cubs read and sang songs all about bedtime. Nighttime art included shiny stars and glittery moons. We concluded our week with a pajama party! The children worked hard rolling dough for yummy biscuits. Night night, sleep tight!

“All Tied Up!”

This week our theme was “All Tied Up.” Using ribbons, pipe cleaners, string, and other materials, we got tangled up in decorating our classroom. We created amazing necklaces by beading small jingle bells and colorful beads. Our fine motor skills are strengthened when we use our fingers to string ribbon, bead, and play with play dough. Practice with scissors also builds hand strength and proficiency. Next week will talk about holiday traditions and create some seasonal crafts.

Colder Temperatures

As the weather turns colder, please send your child in appropriate clothing for outside playtime. Please label all hats, scarves, mittens, and gloves. We will try to get outside each day if the weather permits.
