ANIMALS THAT THRIVE IN COLD WEATHER!!!

We enjoyed talking about animals that love living in the cold weather. We discussed the Moose, Artic Fox, Polar Bear, and Walrus. We watched animals diving for food in the frigid waters while simultaneously making a miraculous catch in the water for a tasty meal. The children enjoyed the visuals we shared during our circle time.

HAPPY NEW YEAR!! 2017

Everyone is really happy to be back at school after our holiday break! We hope you all had a lovely holiday break spending time with family and friends. We are looking forward to our second semester moving forward in our Panda Bear Classroom. We have seen much growth from our group. We are excited to welcome a new team member to our Panda Bear classroom. Kaidi Gay is joining us! We are thrilled to have her in our class. She is a Bear Cub in the AM session. All of the Panda bears welcome Kaidi!
