# Panda Bear News

Washington University Nursery School  
March 11, 2018

We learn  
through play.

Our themes engage children actively in a variety of learning experiences. In the picture below, we are enjoying a special treat in honor of Dr. Seuss' birthday! The children assisted with cooking these biscuits during our free choice time inside. We measured, kneaded and cut out the shapes with cookie cutters.

## Classroom Happenings

### CHINESE NEW YEAR!!

We enjoyed our week of celebrating the Chinese New Year! We enjoyed eating pasta with chopsticks and opening our fortune cookies. We decorated red lanterns and dog faces.

### DR. SEUSS BIRTHDAY CELEBRATION!

DR. SEUSS deserves to be celebrated on his birthday! We read some of his most popular books each day.

### NURITION AND HEALTH WEEK!

The children loved learning about healthy foods, exercise and nutrition. We used different vegetables with vibrant colors to create beautiful artwork. We enjoyed fresh vegetables during snack, including peppers, carrots and celery.

## MORE NEWS FROM THE PANDA BEAR CLASSROOM

Painting rocks for our outdoor garden

Enjoying outdoor time with friends

Building with trios

### **Some books that we have read and enjoyed:**
