## A Year of Growth

Dear Teddy Bear Parents,

It is amazing how quickly this school year has gone by! Your children have grown so much in these past months. Their relationships with each other have progressed with more negotiations and compromises. The Teddy Bears have increased their focus and concentration when at play. It has been wonderful to observe them as they play, as they interact with one another, and to listen to their conversations during play.

We want to take the opportunity to thank you for your support and generosity. We value your partnership during your time at WUNS. We will miss those of you who will move on to other schools. We wish you the best and hope that you will come visit the nursery school!

We look forward to seeing the rest of Teddies as Bear Cubs next year! We hope you have a safe and fun summer.

Much love,

Chona and Marbie
