

Hello Teddy Bear Parents and Families,

Welcome to the 2020-2021 school year in the Teddy Bear classroom at Washington University Nursery School (WUNS)! My name is Katie Loynd and along with Chona Carson and Elisa Duncan, we will be teaching your child this year!!! We are so excited for the upcoming school year and have been busy setting up the room and materials.

We are including 3 attachments in this email: Teddy Bear Basics, our class schedule, and our classroom goals. Enjoy! Please let us know if you have any questions. Also let us know if you would prefer a different email address or if you would like to add an additional email for a spouse, nanny, caregiver, etc.

Our curriculum for the next several weeks is focused on getting to know one another and learning about our classroom and daily schedule. Please send a picture of your child as a baby (somewhere between birth and one year old) and a family picture. These may be sent digitally. Please do not send professional quality pictures. All of these pictures receive lots of love from everyone in our classroom with fingerprints, etc. Thank you!

Please have your child practice wearing a mask before school starts.

Looking forward to seeing you next week,
Chona, Katie, and Elisa
