

Thanksgiving Lesson:

Goal: To increase children's knowledge of the color words in Spanish

Activity: Señor Pavo (Mr. Turkey) has many colorful feathers. On a felt board, the children put different color feathers on the body (cuerpo) of the turkey while practicing saying the color word in Spanish. Then the children remove each feather while repeating the Spanish color word.

To introduce the color words in Spanish, we review the "Color Song", "Los colores": <https://www.youtube.com/watch?v=zpLQSdu4V94>
