

Arrival and Dismissal Procedures

Enter at the WEST end of the parking lot. Stay to the right so WU student cars can pass.

Please display your child's car line name tag in the front windshield (given out the first week of school).

Please pull up as far as possible in front of the Nursery School - passing the main entrance up to the exit curve in order to keep car line off Forest Park Parkway.

For the safety of your child, **please wait for a teacher to come to your car before you unbuckle your child.** Parents/caregivers should exit their car and assist their child in and out of their car seat. It is helpful to have your child's car seat on the passenger side of the car. Please refrain from using your cell phone during arrival and dismissal time.

Please share this information with others who will be driving your child.
