PsychologyToday.com

This website allows you to search for mental health providers by zip code. You can also sort providers by forms of insurance accepted, area of expertise, ages served, types of treatment offered, and other categories. For example, to find therapists accepting teens with Missouri Medicaid, click "Age" and select "Adolescents / Teenagers" and "Insurance" and select "show more insurances" and click "Medicaid." The resulting list will show you therapists who accept teen clients with Medicaid insurance.
