Associate Professor, School of Education, Baylor University. Responsibilities included research in the field of civic education. Teaching graduate and undergraduate course in social studies education and Graduate level curriculum courses. Service to the department through recruitment events for undergraduate and graduate students., committee work at the department level, school level, and university level. Co-Director of the iEngage Summer Civics Institute. May 2017 - present.

Assistant Professor, School of Education, Baylor University. Responsibilities included research in the field of civic education. Teaching graduate and undergraduate course in social studies education and Graduate level curriculum courses. Service to the department by working to recruit students at our undergraduate and graduate levels, committee work at the department level, school level, and university level. Co-Director of the iEngage Summer Civics Institute. August 2010 – May 2017.

Assistant Clinical Professor, Peabody College of Vanderbilt University, Department of Teaching and Learning, Responsibilities including teaching undergraduate and graduate methods courses in social studies education, graduate courses in social and philosophical foundations of education, and an action research course. Service to the department included supervising master's capstone submissions, recruiting master's students, Counselor for the Alpha Chapter of Kappa Delta Pi, advising both undergraduate and graduate students, and serving on the elementary program committee. Research involved working with teachers to document "best practices" in social studies education. August 2002 – August 2010.

Teaching Assistant for the Department of Curriculum Studies, College of Education, University of LeCompte 2023

Texas at Austin, Spring 2002. Responsibilities included teaching social studies methods courses at the undergraduate level.

Supervisor for Student Teachers and Student Interns, Department of Special Education, College of Education, University of Texas at Austin, Fall 2001. Responsibilities included supervision and mentorship of 6 student teachers and 2 interns at an elementary school in north Austin. Included in this role is a strong relationship with the school as well as support for the cooperating teachers.

Teaching Assistant for the Department of Special Education, College of Education, University of Texas at Austin, Spring 2001. Responsibilities included maintenance of all records (grades and attendance) for 103 students enrolled in ALD 322- Individual Differences. A web site was developed and maintained for the course as well as managing a Web-based system for communication. Lecturing and assisting students on a weekly basis were included in the duties for this position.

Instructor, Southwestern University, Georgetown, Texas. 1999-2001. Responsibilities included instructional planning and teaching of four courses offered in the teacher preparation program. Teaching assignments were educational technology, classroom management and organization, methods of teaching mathematics and instructional methods/organization (note: instructional methods was considered a social studies methods course). 1999-2001

Trainer, CGI Instruction

Round Rock (TX) Independent School District, summer, 1999. Staff development trainer for Cognitively Guided Mathematics Instruction. Responsibilities included: Planning and instruction for (2) weeklong professional development institutes.

Teacher, Coordinator of Gifted and Talented Instruction at a K-5 Elementary Campus, Berkman Elementary, Round Rock, (TX) Independent School District, 1996-1999. Responsibilities included: Instruction and planning for all this school's identified gifted and talented students in the content areas of mathematics and language arts. Testing of all students nominated for the gifted and talented program. This involved staff development for screening and identification of students.

Technology Facilitator and Trainer, Round Rock (TX) Independent School District, 1997-1999. Responsibilities included: Staff development and training with respect to technology and computer use. Scheduling of training sessions on district developed competencies. Grading of completed modules and recording of faculty status in completing all modules.

Teacher, 4/5 Grade Mathematics, Summer School Session at Bluebonnet Elementary, RRISD, (TX) Summer, 1998. Responsibilities included: Planning and teaching of mathematics for students identified by RRISD summer school criteria. Assessment and evaluation of student progress in mathematics. Reporting of assessment data at the end of the session.

Teacher, Grade 4 Mathematics Academy, Berkman Elementary, Round Rock (TX) ISD, spring 1997, 1998. Responsibilities included: planning and teaching of Mathematics for students identified by Academy criteria. Academies were a six-week after-school tutorial program designed primarily for students who are at risk for failing the TAAS. Class sizes were small with approximately 12 students in each class. Ninety percent of the students in academy sessions I have taught successfully passed the mathematics portion of the TAAS exam.

Writer, Technology Curriculum for the Talented and Gifted Program, Round Rock (TX), I.S.D., summer 1997. Responsibilities included: Writing and researching the integration of technology opportunities in the gifted and talented classrooms.

Assistant Instructor, Coordinator - Field Based Experiences. College of Education and Applied Science, Sam Houston State University, 1995-1996. Responsibilities included: Assisted faculty in the instruction of undergraduate education classes. Coordinate public school experiences for approximately 900 university students. This involves working with public school personnel and university professors to fulfill state required observation hours for the certification of teachers. Placed secondary education students in junior high and high school classrooms for observation and practice teaching. Evaluated these students on their teaching performance, 1995-1996.

Research Assistant. Department of Elementary Education, Sam Houston State University. Spring 1996. Participated in a collaborative grant project of Texas A & M University and Sam Houston State University. Data collection and analysis, Supervisor, Beverly J. Irby.

Director. Summer Institute for Gifted, Creative, and Talented Students. Sam Houston State University, summer 1996. Responsibilities included: organization and management of a summer camp for gifted, creative, and talented secondary students.

Assistant Instructor- Tutor. Trinity Valley Community College, Palestine, Texas, 1993-1994. Responsibilities included: Working with students for who English was a second language. Professional Institutes and Workshops

iEngage Summer Institutes (2013-2019): Due to the generosity of the Hatton Sumners Foundation, we have had the opportunity to further our civic education efforts through the creation of the iEngage Summer Civics Institute. The iEngage Summer Civics Institute has a twofold purpose: 1) to provide teachers with high quality professional development focused on civics education and 2) to provide students with the opportunity to engage in meaningful civic learning through online gaming, simulations, and service learning. This summer we have over 20 teachers registered for the teacher institute and 60 students registered for the student camp. August 2013-2022..
