Marrs McLean Science MMSCI, Second Floor
One Bear Place #97314, Waco, TX 76798
Shelby_Vaughn@baylor.edu | 254.710.3113

STRENGTHS

- Extensive knowledge in research design, including initiating, planning, and guiding quantitative, qualitative, and mixed methods research
- Excellent scholarly writing abilities with exceptional grammar, punctuation, formatting, and referencing skills
- Strong background in editing papers and dissertations for publication
- Experience in student capacity building and mentorship of graduate students
- Skilled in the organization and implementation of student and staff workshops and training sessions
- Solid background in leadership and oversight, including scheduling, staffing, professional development, and staff performance reviews
- Well-developed team leadership abilities with consultation and collaboration skills
- Skilled in online-teaching and the application of technology to teaching and learning
- Experience in online course development that encourages student engagement and promotes student satisfaction
- Experience in course curriculum design that stimulates student achievement of critical thinking skills, problem solving, and self-efficacy
- Experience in program development and curriculum review and development in accordance with SACSCOC program accreditation
- Ability to engage with individuals from diverse backgrounds in a compassionate, nonjudgmental manner
- Ability to communicate and collaborate at all levels at an educational institution

EDUCATION

University of West Florida Pensacola, FL EdD, Curriculum and Instruction Diversity Studies Specialization <i>Dissertation: Online Doctoral Student Satisfaction as Influenced by Personality and Transactional Distance</i>	2018
University of West Florida Pensacola, FL EdS, Curriculum and Instruction	2016
University of West Florida Pensacola, FL MS, Community Health Education Health Promotion and Worksite Wellness Specialization	2014
University of West Florida Pensacola, FL BA, Criminal Justice Forensic Studies Specialization	2005

HIGHER LEARNING TEACHING EXPERIENCE

Baylor University

2022-present

Waco, Texas

School of Education

Curriculum & Instruction

Lecturer

Present course material through online lectures that inspire strong engagement in the EdD in Learning and Organizational Change online program. Provide mentorship, student correspondence, and grading duties for the following doctoral-level courses:

- EDC 6391: Problem of Practice Phase One
- EDC 6392: Problem of Practice Phase Two
- EDP 5333: Psychology of Learning

Western Illinois University

2022

Macomb, Illinois

Department of Health Sciences and Social Work

Adjunct Instructor

Presented course material through online lectures that inspire strong engagement in the BS and MS in Public Health programs. Provided mentorship, student correspondence, and grading duties for the following undergraduate and graduate-level courses:

- HE 120: Personal Health Promotion (Asynchronous-Online; Undergraduate)
- HE 123: Drug Use and Abuse (Synchronous-Online; Undergraduate)
- HS 211: Principles of Health Sciences (Synchronous-Online; Undergraduate)
- HS 370: Research Design in Health Sciences (Synchronous-Online; Undergraduate)
- HS 521: International Health (Synchronous-Online; Master's)
- HS 525: Health Aspects of Aging (Asynchronous-Online; Master's)
- HS 551: Public Health Epidemiology (Synchronous-Online; Master's)

University of West Florida

2018-2022

Pensacola, FL

Department of Educational Research and Administration

Department of Social Work

Adjunct Instructor

Presented course material through online lectures that inspire strong engagement in the EdD in Curriculum and Instruction and MS in Social Work programs. Provided mentorship, student correspondence, and grading duties for the following graduate-level courses:

- EDF 7685: Philosophical Foundations of Education (Hyflex; Doctoral)
- EDF 7790: Foundations of Doctoral Writing and Research (Hyflex; Doctoral)
- EDF 8498: Improvement Science (Asynchronous-Online; Doctoral)
- SOW 5404: MSW Research Foundations (Asynchronous-Online; Master's)

University of West Florida
Pensacola, FL
Department of Educational Research and Administration
Graduate Teaching Assistant to Dr. Francis Godwyll

2016-2018

Assisted with face-to-face, hyflex, and online course creation, curriculum design and revision, assessment development, student correspondence, and grading duties for the following doctoral-level courses:

- EDF 6475: Qualitative Research I
- EDF 7407: Educational Statistics II
- EDF 7478: Qualitative Research II-Design, Analysis, and Presentation
- EDF 7489: Advanced Research & Mixed Methods Design
- EDF 7685: Philosophical Foundations of Education
- EDG 7935: Research Design
- EDF 7990: Seminar in Scholarly Writing and Research
- EDF 8289: Curriculum Design
- EDF 8609: Perspectives of Contemporary Social Theories
- EDF 8937: Research Applications

University of West Florida
Pensacola, FL
Department of Health, Leisure, and Exercise Science
Graduate Teaching Assistant to Dr. F. Steve Bridges

2013-2015

Assisted with online course curriculum revision, student correspondence, and grading duties for the following courses:

- HSC 2100: Personal Health (Undergraduate)
- HSC 4120: Consumer Health Education (Undergraduate)
- HSC 4211: Human Environmental Health (Undergraduate)
- HSC 4551/5552: Communicable & Degenerative Diseases (Undergraduate & Master's)
- HSC 5506: Advanced Epidemiology (Master's)
- HSC 6135: Health Guidance (Master's)

University of West Florida
Pensacola, FL
Department of Health, Leisure, and Exercise Science
Graduate Teaching Assistant to Dr. Charlie Song

2012-2013

Assisted with online undergraduate course creation, curriculum design and revision, student correspondence, and performed grading duties for the following courses:

- PET 4251: Sociology of Sport
- SPM 3004: Introduction to Contemporary Sport Management
- SPM 3306: Sports Marketing
- SPM 4723: Sport Law & Risk Management

PROFESSIONAL EMPLOYMENT

Texas A&M AgriLife Extension
College Station, TX

2020-2022

Family and Community Health Program Coordinator II

- Served as Regional Coordinator, Central Texas for the Texas Council for Developmental Disabilities, covering 17 counties
- Designed research projects used to build upon theoretical and practical approaches and policy relative to individuals with disabilities
- Conducted research on community needs to identify areas needing support to create change and develop plans to improve programs and address areas of concern relative to individuals with disabilities, diversity, equity, inclusion, and belonging
- Developed and revises statewide curriculum relative to diversity, inclusion, and accessibility
- Served as a liaison and provides guidance to regional stakeholders to build community capacity to better support individuals with disabilities and families
- Built community connections and collaborate with community partners
- Works with subject matter experts and identifies target audience training needs to design and implement online and in-person health educational programming
- Collected qualitative and quantitative data and public input from individuals with developmental disabilities and their families to better inform TCDD state plan objectives and projects
- Created data collection tools for programming needs and improvement analyses
- Produced program and educational session evaluation reports
- Demonstrated subject matter expertise, professional confidence, and clarity when representing TCDD at regional functions
- Coordinated the presentation of program information to regional community and professional groups to increase awareness of TCDD resources
- Supported existing and new leaders and self-advocates to connect and collaborate on advocacy and systems change initiatives for individuals with disabilities

Texas A&M University
College Station, TX
Center for Teaching Excellence
Postdoctoral Research Associate

2019-2020

- Designed research studies for program assessment
 - Faculty hiring practices
 - Faculty retention factors
 - Faculty professional development in teaching
- Supervised graduate assistant
 - Graduate student development in research and teaching
- Participated in multidisciplinary research collaboration
- Assisted with coordination and management of Center programs and services
- Developed and maintained scholarly agenda

- Maintained metrics database of all enrolled EdD and EdS program students
- Prepared and maintained unit budget
- Created and maintained online EdS/EdD Program Canvas platform for program resources
- Created and served as lead instructor for competency-based online corequisite courses
 - APA & Writing Style Seminar
 - Educational Statistics Seminar
- Provided communication correspondence among students who submitted manuscripts and applicable parties
- Distributed student manuscripts and designated section review
- Conducted review processes for all submissions
 - section reviews for quality assurance
 - compiled detailed section reviews into review document for distribution
 - submitted review document to Program Director for final review
- Reviewed submissions (e.g., chapter, proposal, dissertation) for
 - manuscript alignment and quality assurance
 - ethical procedures and permissions
 - APA formatting
- Provided training and assistance to doctoral candidates relative to manuscript revisions for
 - content alignment
 - data analysis techniques
 - APA
 - writing style
- Conducted the staff training sessions
 - research design
 - content alignment
 - APA formatting
- Participated in doctoral student program orientation presentation sessions

- Provided communication correspondence among students who submitted manuscripts and applicable parties
- Distributed student manuscripts and designated section review
- Conducted review processes for all submissions
 - section reviews for quality assurance
 - detailed section reviews into review document for distribution
 - submitted review document to Program Director for final review
- Reviewed submissions (e.g., chapter, proposal, dissertation)
 - manuscript alignment and quality assurance
 - ethical procedures and permissions

- APA formatting
- Provided training and assistance to doctoral candidates relative to manuscript revisions for alignment, data analysis techniques, APA, and writing style
- Conducted the staff training sessions
 - research design
 - content alignment
 - APA
- Participated in doctoral student program orientation sessions.

Northwest Florida State College
 Niceville, FL
 Emergency Services Program
Staff Assistant

2011-2012

- Created business contracts and instructional materials
- Maintained necessary office supplies and forms and central division files
- Distributed faculty and staff telephone messages and mail
- Provided registration assistance
- Maintained faculty and staff appointment calendar
- Performed general administrative duties
- Provided student, faculty, and staff assistance relative to program requirements

Medical Examiner, State of Florida, District One
 Fort Walton Beach, FL
Forensic Death Investigator III

2005-2011

- Conducted on-scene death investigations
- Served as liaison between agency, families, and legal and medical representatives
- Assured proper evidence collection techniques
- Provided autopsy assistance
- Provided legal testimony
- Performed general administrative investigative duties
- Performed community outreach activities/education to local law enforcement, fire departments, family assistance agencies, libraries, and high schools
- Supervised University of West Florida student internship program
- Supervised Okaloosa County, FL high school student internship programs

University of West Florida
 Fort Walton Beach, FL
 Office of Juvenile Studies
Assistant Senior Counselor

2003-2005

- Provided intensive supervision to juvenile offenders prior to and following release from juvenile detention programs to establish successful community re-entry
- Verified clients' successful completion of all court-ordered sanctions
- Provided family assistance relative to successful sanction completion
- Monitored and evaluated client progress
- Maintained and provided case reports to Florida Department of Juvenile Justice and other legal representatives

- Served as liaison between agency, clients, families, and legal representatives
- Supervised 13 aftercare counselors to ensure all legal obligations were upheld
- Maintained caseload of approximately 20 juveniles in Okaloosa and Walton Counties
- Provided court testimony and abided by strict confidentiality requirements

HIGHER LEARNING INSTITUTIONAL EXPERIENCE

University of West Florida 2019-Present
 Pensacola, FL
 Department of Educational Research and Administration
Faculty Associate

- Dissertation Committee service
- Faculty research
- Seminar lecturing

University of West Florida 2016-2018
 Pensacola, FL
 UWF Doctoral Support and Quality Assurance Center
Lead Graduate Assistant

- Monitored and maintained email account and Google drive related to document submission and student email correspondence
- Maintained correspondence among students who submitted dissertations and committees
- Distributed and assigned student dissertations and proposals for review
- Conducted the review processes for all team reviews
 - section reviews for quality assurance
 - compiled detailed section reviews into one review document
 - submitted the review document to the EdD Program Director for final review
- Reviewed proposals and dissertations for
 - manuscript alignment and quality assurance
 - ethical procedures and permissions
 - APA formatting
- Met with doctoral students to assist with dissertation and proposal revisions for alignment, statistical analyses, APA, and writing style
- Conducted training sessions for staff
 - quantitative research design
 - APA style
- Assisted with proposal and dissertation rubric creation and revisions

University of West Florida 2015-2016
 Pensacola, FL
 Department of Research and Advanced Studies
Graduate Research Assistant to Dr. Susan Jans-Thomas

- Served on the *Journal of Research and Advanced Studies* editorial board
- Conducted research for UWF Civil Rights Research Lab
- Conducted research for conference and symposium presentations
- Performed on-site field research, interview techniques, and transcription

- Provided timely assistance to meet doctoral student needs in recruiting and registration
- Performed administrative functions
- Assisted with course curriculum revision for online course migration
 - EDF 8289: Curriculum Design
- Participated in successful grant approval processes
- Participated in community service outreach

University of West Florida
Pensacola, FL
Department of Health, Leisure, and Exercise Science
Graduate Assistant

2015

- Served as Health Care Administration (HCA) Graduate Program Advisor
 - maintained HCA email and student email correspondence
 - provided timely assistance to meet graduate student needs in recruiting and registration

University of West Florida
Pensacola, FL
Curriculum (Doctoral-level courses) Developer

2016-2019

- APA & Writing Style Seminar-Competency Based (Online)
- UWF Doctoral Student Resources (Online)
- EDF 7478 Qualitative Research II-Design, Analysis, and Presentation (Hyflex & Online)
- EDF 7685 Philosophical Foundations of Education (Hyflex & Online)
- EDF 7790 Foundations of Doctoral Research and Writing (Hyflex & Online)
- EDG 7935 Research Design Seminar (Online)
- EDF 8931 Doctoral Seminar I: Background Paper (Online)
- EDF 8932 Doctoral Seminar II: Comprehensive Exam (Online)
- EDF 8933 Doc Seminar IV: Proposal (Online)
- EDF 8935 Doc Seminar III: Dissertation Inquiry (Online)
- EDF 8937 Research Applications (Online)
- EDF 8498 Improvement Science and Design Decision Making in Education (Online)

Program Material Development

Mixed Methods Research Design Dissertation Material

Godwyll, F. E., **Vaughn, S. D.**, Dyehouse, S. K., & University of West Florida Doctoral Support and Quality Assurance Center. (2017). *Structural guidelines for traditional proposals and dissertations (EdD): Mixed methods research designs*. University of West Florida.
