

Wooster Campus Staff Council – 2020 Meeting Minutes Template

Ongoing business

- April may be cancelled if we are not back to regular work by then
- Will discuss Wayne Co. fair once we return to work
- Town Hall meetings are up in the air right now. Not sure what will happen with the schedule.

New business

- By Law Update: Changes may need to be made to differentiate Wooster Campus Staff Council and what we do from campus council
Zac will discuss this with Rhonda in a zoom meeting today.
 - Food Trucks: on hold. May plan to have some on campus once we return and get back to normal. Lindsey will take over this role.
 - Goodwill Bins: Didn't happen at ATI since everything happened so quickly. Think about having them on campus once we return for anyone who might have donations from being off and cleaning their homes. Will it be worth it? Zac will send out an email.
 - Zac will send out an email containing Good Will info, a qualtrics survey to see if anyone has questions for Staff Council, and just to offer assistance to everyone who may need it.
- Fisher Storage: Need to empty our storage space because of the updates happening to Fisher. Need a new place to store some things. Paul suggested there may be room at Secret.
- Towne Hall Meetings: On hold for now
