

# AVENZA FOR MAPPING

---

A DAY IN THE WOODS – OCTOBER 9, 2020

STEPHANIE DOWNS – ODNR DIVISION OF FORESTRY

1

## AVENZA

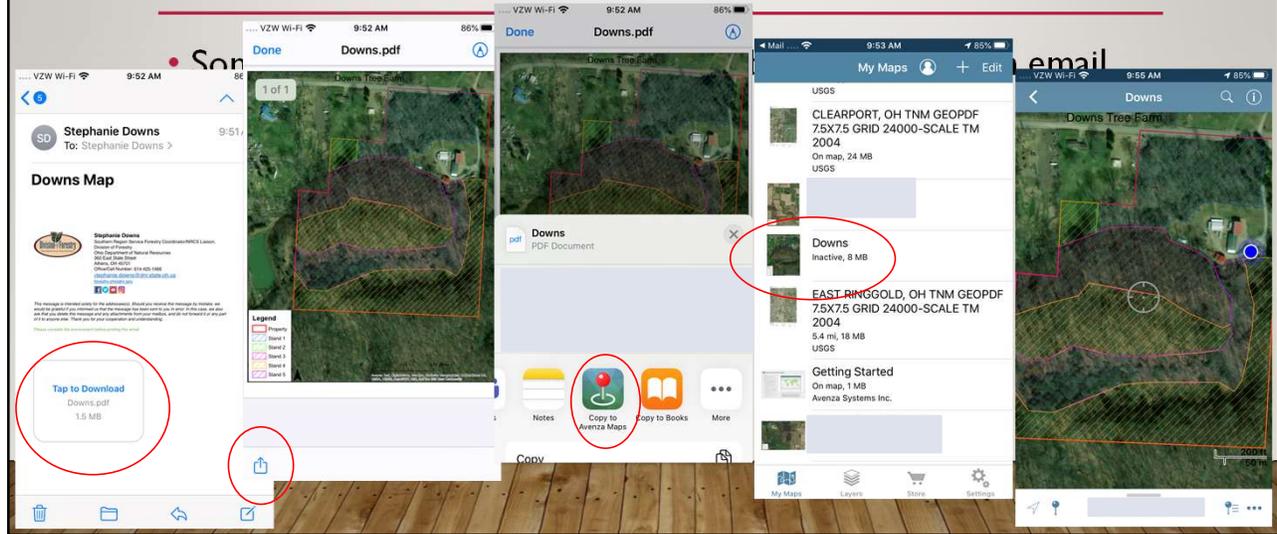

---

- Free (or paid) app available to have maps, create boundaries, and track location
- Works without cell service
- Can purchase maps, download free maps, or import your own maps

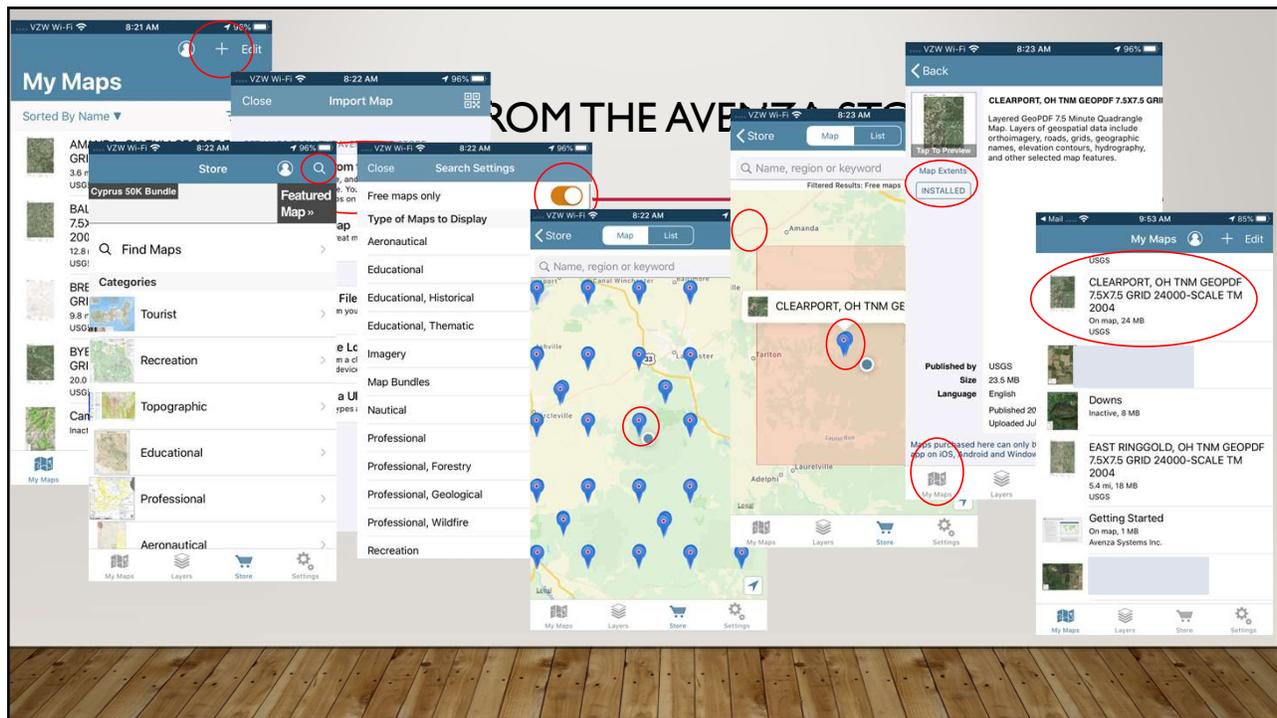

2

# ADDING MAPS - IMPORTING

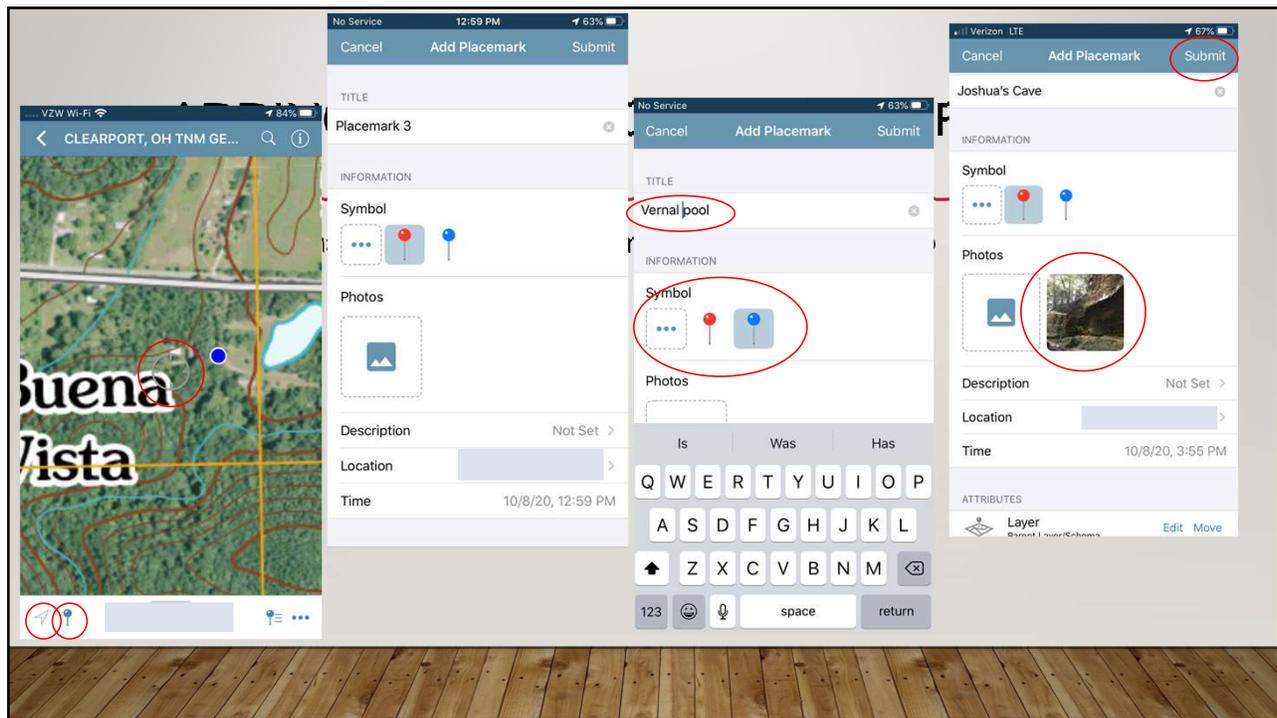

3

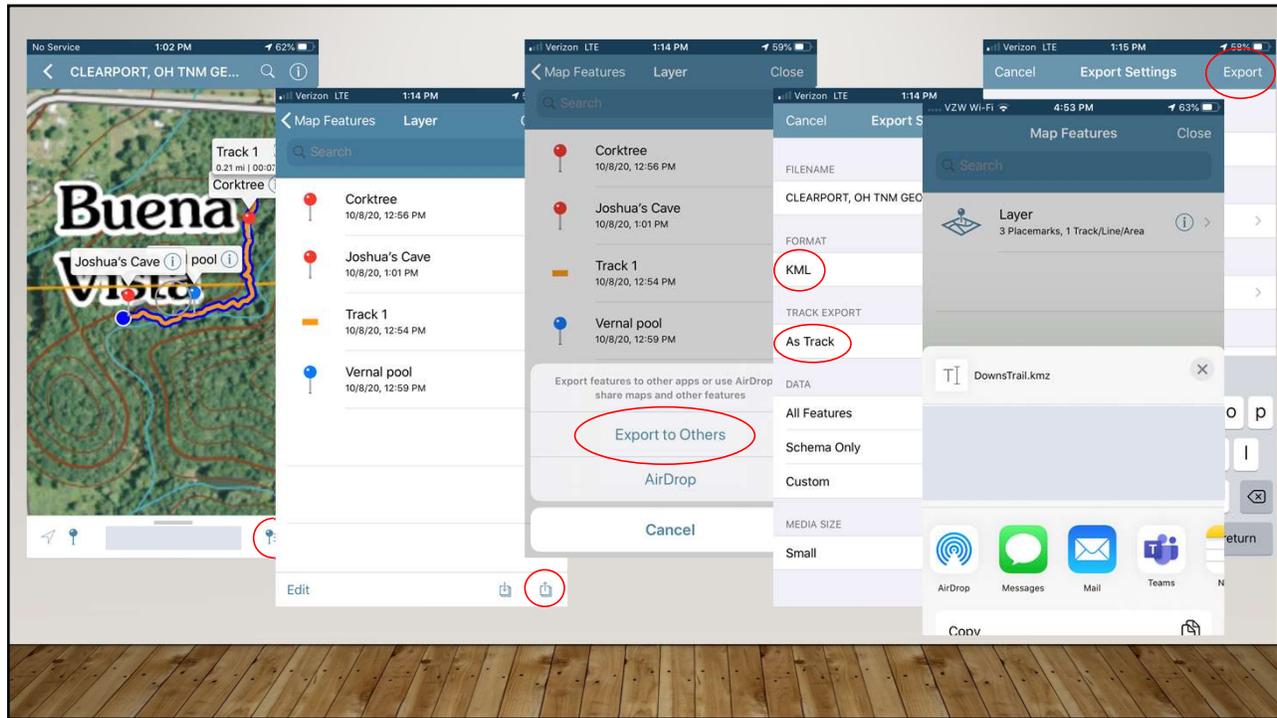

4

5

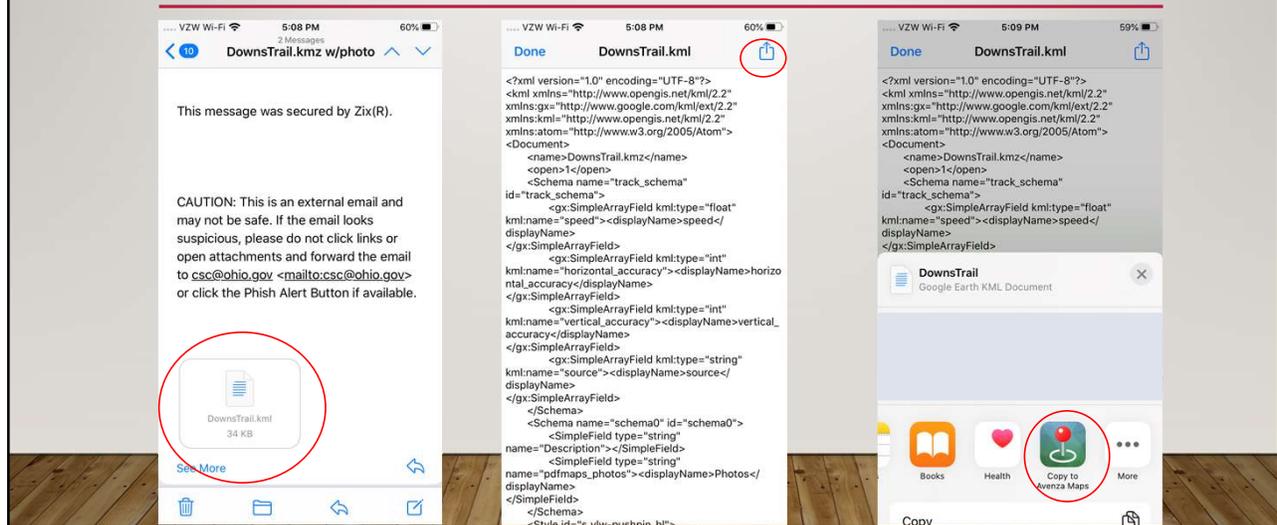

6

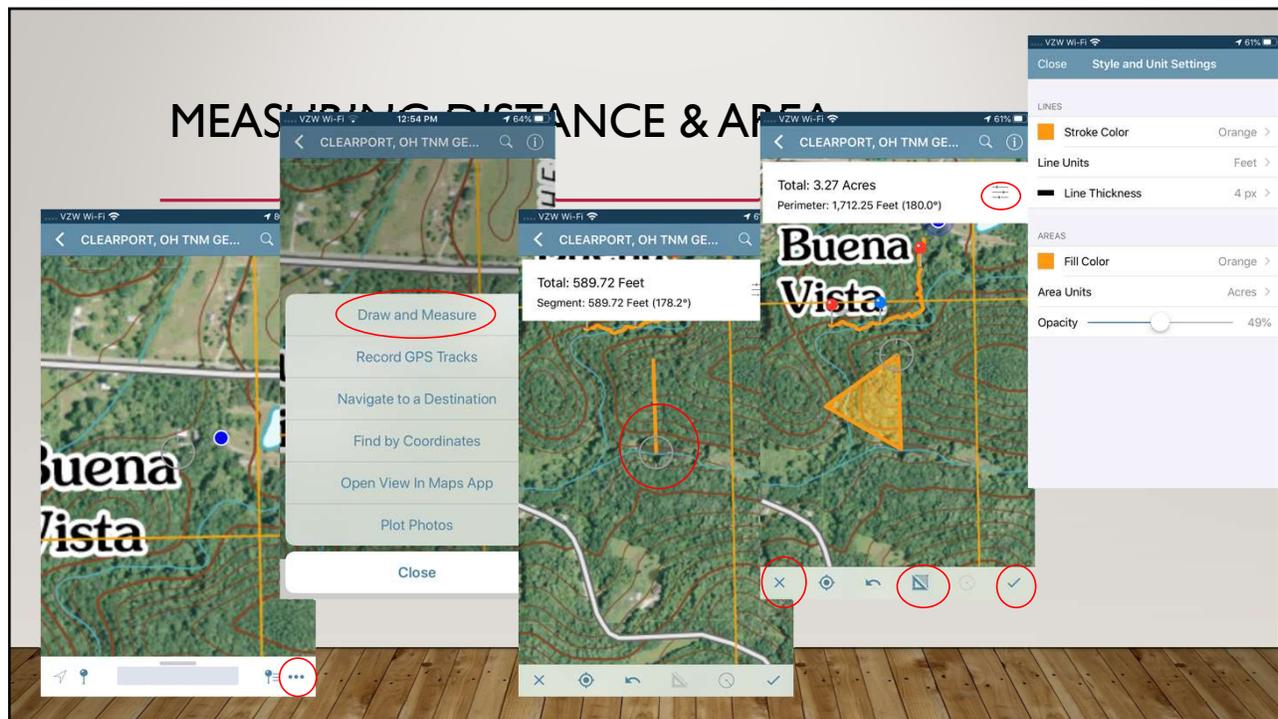

7

## ADDING DATA FROM GOOGLE EARTH

8

9

## ADDITIONAL IDEAS

- Draw stands on Avenza for use in the field (will not export to Google Earth in free version)
- Track invasive plants, special features, trails, more
- Share with family members once drawn
- Keep track of work completed in woodland
