Speakers' Title and Description

-  **Carol Trosset (Hamilton County MGV & Author) –**
■ *Cultivating Woodland Wildflowers*
Discover the diverse wildflowers of southern Ohio's forests and their role in the ecosystem. Dr. Trosset will share insights from her family's woodland restoration project and discuss the impact of climate change on blooming cycles.
-  **Eugene Braig (OSU Program Director, Aquatic Ecosystems) –**
■ *Ponds and Pond-Loving Plants*
Explore wetland and aquatic species that thrive in and around ponds, their benefits, and invasive species to avoid.
-  **Brian Grubb (DAAP Educator, University of Cincinnati) –**
■ *Herbaceous Ornamentals at UC*
Gain insights into the teaching and study of herbaceous ornamentals at UC, including student projects from the past three years.
-  **Ryan Slaughter (OSU Extension Educator, Ross County) –**
■ *Getting Started with Brambles*
Learn how to grow blackberries and raspberries, covering site selection, soil preparation, planting, trellising, and pruning.
-  **Jenny Stoneking (OSU Extension Educator, Adams County) –**
■ *Year-Round Color with Perennials*
Discover how to design a perennial garden that showcases vibrant color in every season, even in winter!
