

Knox County Junior Fair Livestock Buyers Club

The Knox County Junior Fair Sales Committee has developed the Livestock Buyers Club as an opportunity for individuals and businesses to participate in an organized pool to purchase animals at the Knox County Junior Fair Livestock Sale. Membership is possible by making a minimum donation of \$25.00. This organized pool of contributors supports a number of Junior Fair exhibitors by bidding on or purchasing animals in the sale. Designated representatives of the committee will have authority and decision-making power to act as bidders to utilize this pooled money in the most appropriate fashion. The Livestock Buyers Club allows more participation for interested supporters of Knox County youth.

Livestock Buyers Club members will receive the following for their donation:

- Specified name on the full-size "Thank You" pages in the Mount Vernon News and additional promotional materials
- A membership certificate from the Knox County Junior Fair Livestock Sale Buyers Club

You may return this membership form along with payment to any Knox County Sales Committee member, or you may send to:
