

Booth Patrol Schedule

We are planning to continue the patrolling system used for the past years. We feel that patrolling is essential and has helped hold down and eliminate the destruction of property. Fortunately, there was no damage last year. Clubs are asked to man a 2 hour shift. There should be at least 2 members on patrol at a time. Please report to the Junior Fair Board Office when you arrive and pick up a patrol badge, then return badges when you leave. Those working the 8:00-10:00 p.m. shift should leave badges at the fair office window.
