## General Guidelines for All Clothing Projects

- ✓ Members should select a project considering their sewing abilities and age. Beginners are encouraged to limit to one clothing project.
- ✓ Each project each year offers a learning experience. Projects cannot overlap. If a member is enrolled in two or more clothing projects, each outfit must be a complete ensemble. No part of one outfit can be worn with additional project clothing. EXAMPLE: A Tops for Tweens blouse cannot be worn with a Sundresses and Jumpers.
- ✓ Repeating projects requires members to attempt new challenges each year.
- ✓ See guidelines in specific project books before selecting pattern and fabric.
- ✓ WEAR complete outfit including coordinating garment(s) and accessories to complete the total look. Apply the following seven points for a total look and be prepared to discuss them:
  - Construction - Design - Fashion - Fit - Grooming - Personable Qualities - Posture & Poise
- ✓ Members are expected to do their own work. Other persons may give instructions but should not construct the garment(s).
- ✓ Each project can be modeled at the *2023 Style Review & Awards Night on July 13, 2023, at the Ramser 4-H Activity Center at 6 p.m.* We encourage all members to take part in this event. The form that needs to be filled out for that evening is attached to your book or available from the OSU Extension Office or website. We will read the information provided on the form while you are modeling your outfit. *To be eligible to be chosen for the Ohio State Fair, the outfit needs to be modeled at the Style Review.* In case you are not able to model your outfit, you may have someone else model it for you with approval from the OSU Extension Office prior to that day.
