WHAT:

The 2024 OSU Research Internship Program on the CFAES Wooster campus (ORIP)

WHERE:

CFAES Wooster Campus; 1680 Madison Ave, Wooster, OH 44691

WHEN:

May 13 - July 19, 2024

DETAILS

This summer research internship opportunity is for motivated, graduating high school seniors and current underclassmen at college or university over the age of 18. ORIP spans 10 weeks and is tailored to enhance student interest in science, technology, engineering and mathematics (STEM) disciplines.

Through lab and field research, interns receive hands-on experience in data collection and analysis, project design, and scientific communication of results. Participation in ORIP can increase student competitiveness for scholarships and admission to college and graduate or professional schools.

THE APPLICATION

The application will be completed online. Alongside information about students such as current school and age, applications will also require them to attach a copy of their resume information and transcripts as one PDF document. Please note that incomplete applications will not be considered, so students should ensure they have provided all necessary info before submitting.
