Student A

Student instructions:

You are to see Taylor Westcott, a patient coming in for cough. You have 10 minutes to complete the following tasks:

- Obtain a history of present illness
  (see Student Guide for Patient Care History Standards - #1)

- Obtain a comprehensive past medical history, including medications and allergies
  (see Student Guide for Patient Care History Standards - #2)

- Obtain a comprehensive family history
  (see Student Guide for Patient Care History Standards - #3)

- Obtain a comprehensive social history
  (see Student Guide for Patient Care History Standards - #4)
