

Pharmacy in Health Care

Exploration Day

Join us at THE Ohio State University College of Pharmacy, the #6 ranked Pharmacy school in the nation, for an exciting major and career exploration event for **high-school and current undergraduate students**.

Come learn about how a pharmaceutical sciences education can help students interested **any clinical health care or health related research career**, no matter if that's medicine, pharmacy, dentistry, optometry or many other fields!

Current undergraduates will learn about Pharmacy as a career and learn about our professional PharmD program.

Register online:
