

The Younger Chemists' Committee of Columbus

Inaugural Mixer

With the help of the American Chemical Society- Columbus Section, the Younger Chemist's Committee of Columbus would like to invite you to our first ever event!

Thursday, October 26th, 2017
6:00pm-8:00pm

Pins Mechanical Company
141 N. 4th St.
Columbus, OH 43215

Join other younger chemists' in a social night and learn more about the Younger Chemists' Committee of Columbus.

Who is a younger chemist?

Our estimated age range of 18-35, but anyone who is beginning a career or interested in joining is welcome.

Food will be provided. Cash bar available. No reservation necessary.
