

The WVU Office of Undergraduate Research Presents:

THE 14TH ANNUAL SUMMER UNDERGRADUATE RESEARCH SYMPOSIUM

July 28th, 2022 / Morgantown, West Virginia

Sophomores and Juniors: You are invited to showcase your research and explore pathways to graduate studies.

- /// Astronomy
- /// Biology
- /// Chemistry
- /// Communication Studies
- /// History
- /// Mathematics
- /// Physics
- /// Sociology
- /// World Languages, Literatures, and Linguistics

What You Do: Send an abstract for a research poster in your field through our online form.

What You Pay: Registration, room and board are free, and travel stipends are available. Plus, the top posters in each field will receive cash prizes.

Submission Deadline: July 18, 2022

This event is collaboratively hosted by the Office of Undergraduate Research and the Eberly College of Arts and Sciences at West Virginia University, with support from the office of the Provost and the Research Office.
