

ON CAMPUS EVENT

Proctor and Gamble Neurodiversity Internships Summer 2023

March 24th, 2023 from 4:00- 5:30
Gerlach Hall Rm 375

Meet Todd Ballish and Danny Lakes from P&G Cincinnati. Learn about their commitment to expanding career opportunities for STEM-based Autistic and Neurodivergent candidates. Hear from a self-advocate, Danny Lakes who will share his experience. In addition, Todd will share information on their Summer Internship jobs:

R&D Data and Modeling Science- use data and physics-based models to accelerate the development of new products.

IT & Data Analytics- multiple areas including Info Security & Risk, Application Management, Network & Server Administration, Smart Automation, Software Development, and User Experience and Design

Undergraduate and graduate level students are encouraged to attend.

Bring your resume to share with Todd and the team.

Pizza will be served. Please RSVP to:
