

# Portage County Market Goat Committee

## Housing Form for Market Goat Projects

The Market Goat Committee may make random project visits. Goats can be kept at a premise other than the owners at the discretion of the Market Goat Committee. **Each junior fair goat exhibitor who will NOT be keeping their project goat at their residence must submit a housing form to the Market Goat Committee at tag in on May 21st.** The Market Goat Committee will review the requests and will decide to either accept or deny their residence. Goats MUST remain in Portage County, unless previously approved by OSU Extension and Portage County Randolph Fair Board (i.e. those that were grandfathered).

Please fill out the information below (only one form needed per family):
