

Ohio Interfaith Power and Light invites you

Advocacy Training

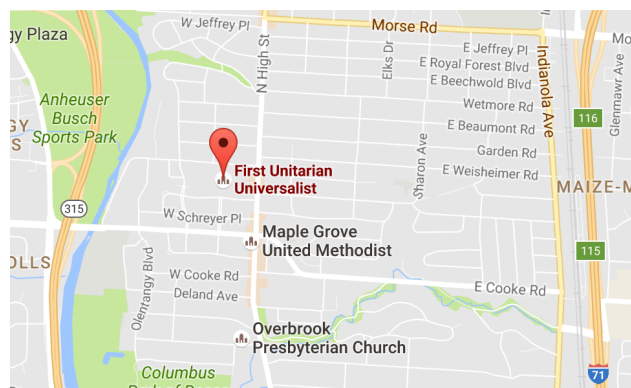

A faith based response to climate change issues in Ohio

Director Sara Ward and Coordinator Deb Steele will be reviewing legislative policies at the state and national level with a focus on what constituents can do to advocate for laws that will better care for our collective home.

- Help Ohio end the “freeze” on our energy efficiency & renewable power legislation
- Learn more about the national Clean Power Plan
- We will be taking action at the end of the training by calling your legislator and submitting a Letter to the Editor

If you'd like to attend please contact Deb Steele by email Dsteele@ohipl.org or cell 614.323.1703

Saturday October 15th 2016
10am to Noon @
First Unitarian Universalist @
93 W Weisheimer Rd, Columbus, OH 43214

Light refreshments will be provided
