## 2022 Achievement Awards Program

Contact: Leslie Cooksey, 4-H Educator – Fairfield County [Cooksey.25@osu.edu](mailto:Cooksey.25@osu.edu) 740-277-4625

2022 marks the 73<sup>rd</sup> year honoring Fairfield County's youth who have completed the Ohio 4-H Achievement Form. Additionally, we would like to recognize youth who have completed the Junior Achievement Form, have been selected to receive a county 4-H scholarship or have applied and been accepted to serve on county or state teen leadership positions.

Congratulations to Fairfield County 4-H members for the accomplishments they have made in their 4-H participation. Members featured in this program were honored on Thursday, April 7<sup>th</sup> at our 4-H Achievement Awards Program sponsored by **Fairfield Federal**. This is the 22<sup>nd</sup> year of continued support of this event to honor our award winners.

We hope the accomplishments of these recognized youth inspire, motivate, and encourage others to continue keeping excellent 4-H records. We also hope that youth strive to become more involved with the county and state 4-H program by learning about these opportunities available to them as 4-H members.

Thank you to **Fairfield County Commissioners** for providing certificates and presenting them to our members. Additionally, we would like to thank the **4-H Advisory Committee** for their assistance in planning this event.

### Junior Achievement Awards

The Junior Achievement Award was created by the 4-H Advisory Committee to encourage members to start their record keeping early in their 4-H careers. The Junior Achievement Form is completed by members who have completed their first year of project membership through age 13 as of January 1<sup>st</sup> of the current year.

There are 3 levels for this award: White, Green, and Gold. Gold is the highest-level accomplishment for our younger members.
