

# Fairfield County Junior Fair

## Bred, Born & Raised Market Beef Class

The purpose of this class is to spotlight those 4-H and FFA members with outstanding Fairfield County bred, born and raised market steers or heifers. The integrity and success of this program will depend on the honesty of the breeders of Fairfield County. Any questions the breeder has should be addressed to the Junior Beef Show Committee before the calf is placed in the hands of the exhibitor.

Everything possible should be done to insure the integrity of this program. Anything less will do harm to the unsuspecting child exhibiting the animal, to the reputation of the breeder, to the beef industry in Fairfield County, and to the integrity of the Fairfield County Bred, Born and Raised Program. The breeder realizes that any falsified information provided on calves will jeopardize the exhibitor's and breeder's privilege to show in the Fairfield County Bred, Born and Raised class in the future.

### The following rules will be observed:

1. Eligibility: Fairfield County bred, born & raised are those market steers or heifers born to a beef female that was bred (natural service, A-I or embryo transfer derived from a county beef producer), stood the entire gestation in and calved in Fairfield County. Calf must be purchased by the eligible Fairfield County exhibitor from the person who owned the cow when the calf was born, and remain in that exhibitor's possession.
2. The Breeder must be a member of the Fairfield County Cattlemen's Association (FCCA). Membership in the FCCA may be secured by paying the local membership dues to the FCCA Treasurer, or County residents who become members of the Ohio Cattlemen's Association are also FCCA members. The breeder's membership must be in good standing when the calf is tagged and weighed-in at the March Junior Fair steer processing (weigh-in).
3. This form must be completed and signed prior to steer processing at the March weigh-in.
4. **Form must be turned in by exhibitor during processing at the March weigh-in.**
