CAUV Property Tax Changes Topic of Breakfast

by Mark Badertscher, OSU Extension Educator

Hardin County – The 2018 Conservation Tillage Club breakfast program series will begin on Tuesday, January 9 at the Plaza Inn Restaurant in Mt. Victory. Each session will start at 7:30 am with complimentary buffet breakfast followed by the program at 8:00 am. Other sessions will be held on January 23, February 6 and 20.

On January 9, the program will feature Mike Bacon, Andrea Weaver, and Mike Yoder, CAUV Property Tax Changes. Bacon is the Hardin County Auditor, Weaver serves as the Union County Auditor, and Yoder is the Logan County Auditor. They will be joined by a panel of other property tax and conservation experts. As county auditors, they have sent out notices of changes and held meetings with landowners, local schools, and farm groups to help explain how changes brought about by the Ohio Department of Taxation will affect them. The presentation at the Conservation Tillage Club breakfast will focus on the most recent changes in the CAUV formula in regards to conservation lands and what landowners must do in order to see possible reductions in their property taxes for coming years.

The Conservation Tillage Club breakfast program series is jointly sponsored by OSU Extension and the Soil and Water Conservation Districts of Hardin, Logan, and Union Counties, and in cooperation with the USDA Natural Resources Conservation Service. Breakfast is provided by the generous support of agricultural lenders and agricultural businesses. All events are open to the public and no advance registration is required. Continuing education credits for Certified Crop Advisers is pending.
