

Allen & Hardin County **MASTER GARDENER VOLUNTEERS**

Master Gardener Training Course

Do you have an interest in gardening, want to improve your skills, and at the same time, enjoy sharing your knowledge with others? The Hardin County OSU Extension Master Gardeners will partner with Allen County OSU Extension Master Gardeners to host a Master Gardener Volunteer training course for new Master Gardener Volunteers this spring.

The Ohio State University Extension Master Gardener Volunteer Program provides intensive training in horticulture to interested Ohio residents who then volunteer their time assisting with educational programs and activities for Ohio residents through their local Ohio State University Extension county office. Volunteers are not required to have gardening skills or knowledge; but a passion for learning about gardening and sharing this knowledge with others is a must!
