Master Gardener Volunteer Training Offered

Hardin County – The Allen County and Hardin County OSU Extension Master Gardener Volunteers will partner to host a Master Gardener Volunteer training course for new Master Gardener Volunteers this spring. The Ohio State University Extension Master Gardener Volunteer Program provides intensive training in horticulture to interested Ohio residents who then volunteer their time assisting with educational programs and activities for Ohio residents through their local Ohio State University Extension county office. Volunteers are not required to have gardening skills or knowledge; but a passion for learning about gardening and sharing this knowledge with others is a must!

Classes will be held on the Ohio State University Lima Campus beginning with orientation on Tuesday, March 6 and classes being held each Tuesday and Thursday from 6:00 to 9:00 p.m. beginning March 13 and continuing through April 26. Additionally, a daylong seminar on Saturday, March 17, from 8 a.m. to 3:30 p.m. is required for the course as well. Specialists from the Ohio State University Extension and experienced Master Gardener Volunteers will be teaching sessions along with some local experts. Some topics include botany, soils, entomology, plant pathology, plant propagation, herbaceous and woody ornamentals, lawns, vegetables, herbs, fruit, pollinators, integrated pest management, pesticide safety, backyard wildlife, houseplants, and therapeutic horticulture.

The cost of the training is \$150.00 and includes the training manual and materials for the class. The program requires 50 hours of classroom training and a commitment of 50 hours volunteer time to become a certified Master Gardener Volunteer. Registration deadline is February 27. More information is available at allen.osu.edu or hardin.osu.edu and clicking on the Master Gardener Volunteers link or by calling Gretchen Staley at 419-302-4234 for Allen County or Mark Badertscher at 419-674-2297 for Hardin County.
