

Fruit Grower- Blueberry

November 14, 2017

6 - 9 p.m.

Baumhart Berry Farm

2200 Baumhart Rd.

Vermillion OH

Cost \$20 *

This is the third post-season meeting for commercial blueberry growers in the region. Take some time in the evening to network with other growers--large and small, experienced and new. The group represents growers in 4 counties. If you are currently growing, or considering growing blueberries or blackberries this meeting is for you. It, however, is not intended for hobby or home-growers.

Presenters:

Celeste Welty, Spotted Wing Drosophila management update

Gary Gao, Irrigation and Nutrient Management in Blueberries

Timothy J Malinich, Blackberry Varieties in Northern Ohio

The evening will conclude with a Grower Post Season Roundtable

You can also join Mike O'Grady in a pre-tour of the Baumhart Berry Farm at 5:15 pm.

Light refreshments will be served. Seating is limited, register early.
Available Credit: 1 hr. private PAT, fruit and vegetable (category 3)

*An extra \$5 fee will be charged for credit
