Ready, Set, Grow!

By Barb Snyder – OSU Extension Master Gardener Volunteer

Hardin County – Children will have the opportunity to experience ‘Ready, Set, Grow!’ during the Children’s Day at the Friendship Gardens sponsored by the Hardin County OSU Extension Master Gardener Volunteers. This educational activity is planned for children ages Kindergarten – 5th grade and will take place Saturday, June 3 at the Friendship Gardens of Hardin County. The program will start at 10:00 am and end at 12:00 pm. The gardens are located behind the Harco Industries building at 960 Kohler Street in Kenton.

The children’s program will feature five learning stations throughout the morning. Learning stations include: Life Cycle of Plants, Outdoor Gardens, History of Food, Indoor Gardens, Planting Seeds, and a craft to take home. Mom/Dad or Grandma/Grandpa are expected to stay and join in the program with the kids. Refreshments will be offered at the end of the event.

This state award winning Master Gardener Volunteer program tries to educate, inspire, and encourage children as they discover nature and gardening. The event is free to attend, but limited space is available so please sign-up by May 26th. Call the OSU Extension office at 419-674-2297 to enable your child to participate in this year’s Children’s Day at the Friendship Gardens.
