POND CLINIC

A Pond Clinic, sponsored by the Hardin Soil and Water Conservation District (SWCD) and OSU Extension, Hardin County will be held on Monday, June 6, beginning at 6:00 p.m. Pond owners and perspective pond owners are invited to the clinic being held at Rick & Marsha Gardner's Pond located at 11123 Township Road 180, Kenton.

Steve Fender, author of 'Farm Pond Management, The Common Sense Guide' and owner of Fender's Fish Farm in Baltic, Ohio will discuss everything from pond construction to pond maintenance. This will be a question and answer clinic. Bring ALL of your questions for the expert to answer.

The program will be held outside so bring your lawn chair and dress for the weather conditions. Light refreshments will be provided by the Hardin SWCD. If you have any questions, please contact the Hardin SWCD at 419-673-0456, ext. 3.
