

Message from Campaign Chairs

It's a Fact!

1. The United Way finances are audited by a CPA!
2. All the partner agencies are required to have a volunteer board of directors.
3. All agencies are required to submit an IRS 990 to the United Way Board.
4. Your money stays local.
5. Without donations, the agencies would not exist!
6. Donors can designate which agencies to support.
7. All United Way donors are members and can vote at the annual meeting.
8. A strong community is a great place to call home.
9. **For those who work outside of Hardin County, please designate your payroll deduction form to be sent to United Way of Hardin County.**

**To: Friends of Hardin Co.
Agriculture:**

Healthy communities do not happen by accident. They are built by people who are actively working to improve their community. Hardin County leads in Ag sales (\$272,452,000) of corn bushels and hogs sold, according to a survey by the USDA. We are one of the biggest players in crop production in Ohio. Please join us in pledging to the United Way of Hardin County.

Thank you,

Madelyn
