

Dear Applicant,

On behalf of the Hardin County Cattle Producers we would like to encourage you to apply for our 2014 scholarship. Due to the small number of applicants whom meet our 2014 qualifications to apply for our scholarship, we would like to offer an addendum to extend our eligibility to any individual whom is taking a beef project for the 2014 year. We are not enforcing that you must be a member of the Hardin County Cattle Producers to be eligible for our 2014 scholarships. However, we do encourage that you become a member and become active in the organization. Precedence will be awarded to members who apply, however our focus is to give back to our youth in our county, we highly encourage all current beef exhibitors to apply.

Thanks,

Renee Hoffman  
Scholarship Chairman  
The Hardin County Cattle Producers
