### **Small Grains Management Workshop**

*Hardin County* – Join OSU Extension as we present a hands-on, intensive small grains management workshop for Ohio crop producers. This workshop will help you become a more profitable small grain producer and will feature a range of winter wheat and barley management topics, including cultural practices, insect and disease management, and soil fertility.

The agenda includes On-farm Grain Storage, Curtis Young, Van Wert County Extension Educator; Wheat and Barley Management, Laura Lindsey, OSU Extension Small Grains Specialist; Nitrogen Management, Ed Lentz, Hancock County Extension Educator; Insect Management, Andy Michel, OSU Extension Field Crop Entomologist; Disease Management, Pierce Paul, OSU Extension Field Crop Pathologist; and Local Information, Jeff Stachler, Auglaize County Extension Educator.

This meeting will be held January 9, 2020 from 9:00 AM to 2:30 PM in the downstairs room of the Auglaize County Administration Building, 209 S. Blackhoof Street in Wapakoneta. There is a \$10.00 cost to this meeting, but lunch is provided. Contact the Auglaize County Extension office at 419-739-6580 for more information and to RSVP by January 2. Each participant will receive a copy of the Ohio Agronomy Guide; Corn, Soybean, Wheat, and Alfalfa Field Guide; Management of Winter Malting Barley Guide; and the Weed Control Guide.
