

# Battle for the Belt Winter Meetings

## What should you plant first – corn or soybean?

What crop has the smallest yield penalty for delayed planting? Can you adjust your management practices to mitigate losses due to late planting? How are diseases affected by planting date?

We will answer these questions and more during our Battle for the Belt Winter Meeting. Featured speakers include: Dr. Osler Ortez, Dr. Laura Lindsey, Dr. Stephanie Karhoff, and Dr. Horacio Lopez-Nicora.

Identical events will be offered in Licking County, Fayette County, and Hardin County. Registration is \$10!
