Marigold Magic

By Christine Heilman, Hardin County Master Gardener Volunteer

Hardin County – Join us for an exciting adventure on May 11th at the Kenton Farmer’s Market with “Marigold Magic: A Children's Gardening Experience”! Hosted by the Master Gardeners, this interactive activity aims to cultivate young minds while having fun with gardening. Children will have the opportunity to plant their very own marigold seeds and plants while also learning important gardening skills. Through engaging discussions and hands-on activities, participants will discover how to properly water their plants, understand sunlight requirements, and distinguish between marigold seeds and plants. Join us for a time filled with learning and exploration as we nurture the next generation of green thumbs! The activities will be held during the Spring Fest at Market on Main, May 11 from 9:00 AM – 2:00 PM. The market is located on the corner of Main and Ohio Streets in the parking lot behind The Middlefield Banking Company.
