

Jr. Fair livestock buyers must make the arrangements for butchering of "KEEP" animals PRIOR TO THE SALE

From time to time livestock buyers at the Fairfield County Fair Junior Livestock Sale enjoy 'keeping' the animal they purchase and having it processed for their home freezer. Due to the current demand for freezer meat and a limited amount of local livestock harvest capacity available, buyers must now make arrangements for butchering and transporting any animals they purchase as "KEEPS" prior to the sale.

Listed below are some butcher shops and harvest facilities local to Fairfield County. This list is not intended to be an endorsement but is offered as a convenience to buyers who may wish to purchase animals for their home freezer.

If you wish to "KEEP" an animal please complete arrangements for both harvest and transportation to the harvest facility prior to the Fairfield County Junior Livestock Sales.
